COLUMBUS BILINGUAL
ACADEMY NORTH

Parents and Students,

Thanks for your patience and understanding during this time. We are working on specific ways to provide activities and work for students. We are currently not requiring this work for a grade, but we have asked teachers to provide grade-level activities and guided lessons for you at home. Here is a link that will give you access to a dropbox folder in which you can find work for all grade levels, Kindergarten - 7th grade.

This is not a perfect solution, but may give some of you access to ideas and information that will be helpful. I also encourage all families to read with their children for at least 30 minutes a day and then have discussions about the reading. If you are unable to access the link above or would like to have printed copies of the material, our front office can help with that between 9:00 a.m. - 12:00 p.m. each day. You can come to the school to retrieve it. Thanks.
