II. Student and Parent Responsibilities

A. Philosophy

Students of the School will abide by a strict **Student Code of Conduct** as listed below, based on the philosophy that classroom respect and order are essential for academic progress, that students benefit from the explicit teaching of acceptable behavior, and that having immediate and clear consequences for seemingly minor infractions guarantees that major infractions will not take place. Students, parents, and teachers will together sign a **Family & School Contract** (*see Appendix B*), which demonstrates knowledge of the **Student Code of Conduct**, at the mandatory family orientation prior to the start of school. The purpose of this **Student Code of Conduct** is to bring absolute clarity to the expectations and consequences of student behavior so that misunderstanding is never the reason for student misbehavior.

B. Intention

The mission of the School is to provide a demanding, standards-based education in order to ensure acceptance and success in college-preparatory high school programs. Respectful behavior without disruptions is necessary to achieve this goal. The following beliefs are at the heart of our **Student Code of Conduct**:

- **Safety.** The Code of Conduct is designed first and foremost to ensure that the School is a safe place for every student at all times.
- **Respect.** One of the core values of the School is respect. Respectful behavior is a hallmark of effective character development and facilitates strong community.
- **Self-discipline.** By learning to behave professionally, students learn skills useful beyond the walls of the School. Students who behave well in school, speak well in public, and are helpful to others will develop strong self-advocacy skills that will serve them well throughout their lives.
- **Making a big deal out of “little” problems.** The leaders of the School believe that there are no “little” problems, but that every seemingly small problem can quickly contribute to more serious problems. By making a big deal out of “little” problems, the School can make sure that big problems happen very, very infrequently.
- **Clear consequences.** Many disciplinary problems can be avoided by having clear, well-articulated consequences. The students of the School will know exactly what behavior is expected and what consequences will result if the expectations are not met. The School will always communicate promptly with parents about any disciplinary consequence.
- **Uninterrupted learning.** The purpose of the **Student Code of Conduct** is to remove distractions from the classroom so that students can commit all of their attention to academic learning.

C. Family & School Contract

The **Family & School Contract** (*see Appendix B*) is the guiding commitment between the School’s students, teachers, and parents/guardians.

All parents/guardians, students, and teachers will sign the Family & School Contract prior to the student being eligible to enroll in classes.

The **Family & School Contract** outlines general and specific expectations for students, teachers, and parents/guardians, and is signed in the spirit of mutual accountability. Our work together is a three-way partnership, and the highest expectations must govern all of our actions to ensure the highest-quality education for every child.

D. Student Code of Conduct

Columbus Bilingual Academy North (hereinafter the “School”) expects its students to abide by a strict code of conduct. The Student Code of Conduct is as follows:

1. General

- Students will treat fellow students, staff, and school property with respect.

- Students will not possess, sell, or be under the influence of any drugs, alcohol, tobacco, or illegal substance of any kind while on School property or while participating in School activities.

2. Disrespect

Respect is one of the core values of the School. Maintaining a respectful learning environment at all times is critical to effective delivery of the academic program at the School.

Disrespectful behavior or words directed toward anyone will never be tolerated regardless of the circumstance or reason. Any student who demonstrates disrespect (in the judgment of any School employee or agent) toward any other person will receive a demerit (Minus 1 School Bucks), and in the case of serious disrespect, will receive a detention or a suspension.

E. Dress Code

The purpose of the School dress code is to create a professional, safe, and respectful community where students can place their sole focus on learning. The dress code is in effect at any time that a student is on School property or engaged in a School activity regardless of location. Students are required to wear the School uniform unless otherwise instructed by the School’s Principal.

4. Violations

Students who arrive at school out of uniform will be sent home or will be prevented from participating in class until they are in uniform.

F. Other School Discipline Policies & Procedures

1. General Discipline Procedures

The purpose of disciplinary consequences is to ensure that both individual students and the school community maintain complete focus on learning and growth. Inappropriate student behavior not only impacts the individual, but also exacts a cost on teachers, other students, and the larger school community. Students must understand that they are a part of a larger whole and are accountable to their peers for adhering to the values and expectations of the community. Prompt resolution of problems and student/family solutions to inappropriate behavior is expected.

Any disciplinary action, depending upon the nature of the action and/or referral, that follows the school’s Positive Behavior Expectation Plan and Procedures, may include but is not limited to: a student warning (oral or written), parent notification, a written assignment, lunch or enrichment detention, community service, suspension, or expulsion. This list of possible consequences is not indicative of a series of progressive punishment that must happen in order. The School may, at its sole discretion, elect to utilize any corrective measure at its legal disposal without first utilizing other less severe consequences.

All decisions regarding disciplinary action will be made by the Principal or designee. The School will make every effort to notify parents/guardians promptly of any disciplinary action and will do so in writing wherever possible.

2. *Suspension and Expulsion*

The School recognizes that exclusion from the educational program is a serious sanction and that suspension and expulsion must follow due process mandates. Additionally, the School will comply with all state and federal law pertaining to students with disabilities.

A student may be disciplined for any violation of the student code of conduct, even if the violation occurs on property not owned or controlled by the School if the violation took place during activities connected with the School or if the behavior is directed at a school official.

Any student suspended or expelled under this policy will not be permitted to participate in any extracurricular activities.

Students in grades kindergarten through third grade will only be suspended in accordance with the Board's Suspension and Expulsion Policy.

Suspension:

The Principal or designee may suspend a student from the School for not more than ten school days. If at the time a suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the principal may require the student to participate in a community service program or another alternative program for a number of hours equal to the remaining suspension period. The student shall be required to begin the program during the first full week day of the summer break. A principal may not apply the remaining suspension period to the following year.

Except in the case of a student given an in-school suspension, no student shall be suspended unless prior to the suspension the Principal does both of the following:

- (1) Gives the student written notice of the intention to suspend the student and the reasons for the intended suspension;
- (2) Provides the student an opportunity to appear at an informal hearing before the Principal or designee and challenge the reason for the intended suspension or otherwise to explain the student's actions.

The School shall provide students an opportunity to complete any classroom assignments missed because of an in-school or out-of-school suspension. Students shall be entitled to receive at least partial credit for a completed assignment; however, reasonable grade reduction may be made on account of a student's suspension. The School shall not assess a failing grade for a completed assignment solely on account of the student's suspension.

Expulsion:

The Superintendent may expel a student from the School for a period not to exceed the greater of eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the Superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

No student shall be expelled under this policy unless, prior to the student's expulsion, the Superintendent does both of the following:

- (1) Gives the student and the student's parent, guardian, or custodian written notice of the intention to expel the student;
- (2) Provides the student and the student's parent, guardian, custodian, or representative an

opportunity to appear in person before the superintendent or superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the student's actions. The notice required under this section shall include the reasons for the intended expulsion, notification of the opportunity of the student and the student's parent, guardian, custodian, or representative to appear before the superintendent or superintendent's designee to challenge the reasons for the intended expulsion or otherwise to explain the student's action, and notification of the time and place to appear. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the student or the student's parent, guardian, custodian, or representative. If an extension is granted after giving the original notice, the superintendent shall notify the student and the student's parent, guardian, custodian, or representative of the new time and place to appear.

Unless a student is permanently excluded, the superintendent shall expel a pupil for a period of one year for bringing a firearm to the School, to an extracurricular event, or onto any other property controlled by the Board of Directors of the School. "Firearm" has the same meaning provided in the "Gun-Free Schools Act," a "firearm means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projective by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device, which includes a bomb grenade, a rocket having a propellant charge of more than four ounces, a missile having an explosive or incendiary charge of more than one-quarter ounce, a mine, or similar device. This definition would also include any weapon that will, or that may be readily converted to, expel a projectile by the action of an explosive or other propellant, and that has a barrel with a bore of more than one half in diameter. The term does not include an antique firearm. The Superintendent may reduce the expulsion time on a case by case basis based upon the student's overall record at the School.

Permanent Exclusion

A student may be permanently excluded from attending any school in the state if the student is convicted of, or adjudicated a delinquent child for, committing an act that would be a criminal offense if committed by an adult, when the student was sixteen years of age or older if the act is one of the following:

- Illegal conveyance or possession of deadly weapon or dangerous ordnance or of object indistinguishable from firearm in school safety zone in violation of R.C. 2923.11.
- Carrying a concealed weapon, trafficking in drugs or possession of controlled substances, if the violation was committed on property owned or controlled by the school or at a school activity in violation of R.C. 2923.12, R.C. 2925.03, and/or R.C. 2925.11.
- Aggravated murder, murder, voluntary manslaughter, involuntary manslaughter, felonious assault, aggravated assault, rape, gross sexual imposition, or felonious sexual penetration in violation of R.C. 2903.01, R.C. 2923.02, R.C. 2903.03, R.C. 2903.04, R.C. 2903.11, R.C. 2903.12, R.C. 2907.02, R.C. 2907.05, and/or the former section R.C. 2907.12 if the violation was committed on property owned or controlled by the school or a school activity if the victim at the time of the commission of the act was an employed at the school.
- Complicity in any of the above violations regardless of whether the act of complicity was committed on property owned or controlled by, or at an activity held under the auspices of, the school.

If the superintendent of the school obtains or receives proof that a student has been convicted of committing or adjudicated a delinquent child for the commission when the student was sixteen years of age or older of one or more of the above, the superintendent may issue to the school's governing authority a request that the student be permanently excluded from public school attendance in Ohio, if both of the following apply:

1. After obtaining or receiving proof of the conviction or adjudication, the superintendent or the superintendent's designee determines that the student's continued attendance in school may endanger the health and safety of other students or school employees and gives the student and the student's parent, guardian, or custodian written

notice that the superintendent intends to recommend that the governing authority adopt a resolution requesting the superintendent of public instruction to permanently exclude the student from public school attendance.

2. The superintendent or the superintendent's designee forwards to the governing authority the superintendent's written recommendation that includes the determinations the superintendent or designee made pursuant to this policy and a copy of the proof the superintendent received showing that the student has been convicted of or adjudicated a delinquent child for a violation listed in this section that was committed when the student was sixteen years of age or older.

The School shall follow all requirements for permanent exclusion as described by ORC 3313.66, including providing notice of the possibility of permanent exclusion with each suspension and expulsion notice.

3. Emergency Removal:

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or principal or assistant principal may remove a student from curricular activities or from the school premises or a teacher may remove a student from curricular activities under the teacher's supervision without the notice and hearing requirements of this policy. A teacher may remove a student from curricular activities under the teacher's supervision, without the notice and hearing requirements. As soon as practicable after making such a removal, the teacher shall submit in writing to the principal the reasons for such removal.

If a student is removed under this Emergency Removal section from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the pupil as soon as practicable prior to the hearing, which shall be held on the next school day after the initial removal is ordered. The hearing shall be held in accordance with suspension provisions of this policy unless it is probable that the student may be subject to expulsion, in which case a hearing in accordance with the expulsion provisions of this policy shall be held, except that the hearing shall be held on the next school day after the date of the initial removal. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing.

A student in grades kindergarten through three may be removed pursuant to Emergency Removal procedures only for the remainder of the school day and shall be permitted to return to curricular and extra-curricular activities the following school day. A student in grades kindergarten through three subject to emergency removal shall not be suspended or expelled unless the student has committed an act described in ORC 3313.668 (B)(1)(a) or (b). A student that returns to school based on this paragraph shall not be subject to the emergency removal hearing procedures

4. Right to Appeal to Board:

Within one school day after the time of a student's expulsion or suspension, the Principal shall notify in writing the parent, guardian, or custodian of the student and the Board of Directors of the School of the expulsion or suspension. The notice shall include the following reasons for the expulsion or suspension, and notification of:

1. reasons for the expulsion or suspension and notification;
2. the right of the student or the student's parent, guardian, or custodian to appeal the expulsion or suspension to the Board of Directors of the School or to its designee;
3. the right to be represented in all appeal proceedings;
4. the right to be granted a hearing before the Board of Directors of the School or its designee in order to be heard against the suspension or expulsion;
5. the right to request that the hearing be held in executive session;

6. Permanent exclusion notice, if applicable;
7. the manner and date by which the student or the student's parent, guardian, or custodian shall notify the board of the intent to appeal the expulsion or suspension to the board or its designee.

If the Principal expels a student under this section for more than twenty school days or for any period of time if the expulsion will extend into the following semester or school year, the notice shall provide the student and the student's parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the student's attitudes and behavior that contributed to the incident that gave rise to the student's expulsion. The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

If the student or the student's parent, guardian, or custodian intends to appeal the expulsion or suspension to the Board of Directors of the School or its designee, the student or the student's parent, guardian, or custodian shall notify the Board of Directors of the School in the manner and by the date specified in the notice. The student or the student's parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the Board of Directors of the School or its designee in order to be heard against the suspension or expulsion. At the request of the student or of the student's parent, guardian, custodian, or attorney, the Board of Directors of the School or its designee may hold the hearing in executive session but shall act upon the suspension or expulsion only at a public meeting. The Board of Directors of the School, by a majority vote of its full membership or by the action of its designee, may affirm the order of suspension or expulsion, reinstate the student, or otherwise reverse, vacate, or modify the order of suspension or expulsion. The Board of Directors of the School or its designee shall make a verbatim record of hearings held under this division. The decisions of the Board of Directors of the School or its designee may be appealed under Chapter 2506 of the Ohio Revised Code.

This policy shall not be construed to require notice and hearing in the case of normal disciplinary procedures in which a student is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

For purposes of this policy, the Board of Directors of the School appoints the Operator as its designee.

5. Discipline for Students with Disabilities:

Consistent with this policy, to the extent the Principal may order removal of a student without disabilities, the Principal may remove a student with a disability, but not for more than ten (10) school days.

After a child with a disability has been removed from the child's current placement for ten school days in the same school year, during any subsequent days of removal, the school district must provide services.

If a child is removed for a period of time exceeding ten school days and the behavior was not determined to be a manifestation of the disability, the student must continue to receive educational services and receive a functional behavioral assessment and behavioral intervention services.

Change in Placement:

The School will notify the parent of the removal decision that constitutes a change in placement for a student with a disability and provide the parent with a copy of the notice of procedural safeguards on the same day as the date of the removal decision.

A change in placement will occur when

- a removal is for more than ten (10) consecutive school days; or
- a series of removals constitute a pattern because:

- the removals cumulate to more than ten (10) school days in a school year,
- the behavior of the student is substantially similar to prior incidents, and
- other factors such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

Manifestation Determination:

Within ten school days of any decision to change the placement of a child with a disability due to a violation of the code of student conduct, the Principal, parent, and relevant members of the IEP team must review all relevant information in the student’s file to determine:

1. If the conduct in question was caused by, or had a direct and substantial relationship to the child’s disability, or
2. If the conduct was a direct result of the school’s failure to implement the IEP.

If either of these two conditions are found to exist, the conduct must be determined to be a manifestation of the disability.

If the IEP team and other qualified personnel determine that the student’s behavior was not related to the disability, the relevant disciplinary procedures applicable to students without disabilities may be applied to the student in the same manner in which they would be applied to students without disabilities.

If the IEP team determines that the student’s behavior was a manifestation of the disability, the School must either:

1. Conduct a functional behavioral assessment, or
2. If the behavioral plan has already been developed, review the behavioral intervention plan and the implementation plan and modify them if necessary.
 - a. The child must return to the placement from which the child was removed, unless the parent and the school agree to a change of placement as part of the modification of the behavioral intervention plan.

School personnel may remove a student to an interim alternative educational setting for not more than forty-five school days without regard to whether the behavior is a manifestation of the disability if the student:

1. Carries a weapon to or possesses a weapon at school, on school premises, or to a school function;
2. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function; or
3. Has inflicted serious bodily injury upon another while at school, on school premises, or at a school function.

Students removed under this section must continue to receive services and receive a functional behavioral assessment and behavioral intervention services.

Appeals:

If a parent disagrees with any decision regarding placement or the manifestation determination decision made by the IEP team, the parent may request a hearing. Whenever a hearing is requested, the School will comply with the procedures for an expedited due process hearing.

III. Academics

A. School Program Goals

- 1) *Scholarship and Academics: I conduct myself as a scholar at all times, demonstrating curiosity, enthusiasm for academics, and high-quality work.*

- 3) *Citizenship: I always participate in community building projects both inside School and out.*
- a) I will volunteer for service projects within the School.
 - b) I will agree to tutor students who I believe I can help.
 - c) I will seek opportunities outside School to become involved in service projects.
- 4) *Dress Code: I will arrive at School on time every day in full uniform. I will maintain the uniform for the entire day until I am off School grounds.*
- a) I will abide by the uniform code of the School.
 - b) I will ensure my uniform is clean and pressed.
 - c) I will not challenge teachers or staff when I am considered out of uniform.

B. Academic Standards

As a college-preparatory school, the School has the highest academic standards for all students. It is expected that students will take challenging classes, complete high-quality work promptly both at school and at home, study for and perform well on exams, and receive excellent support from the teaching staff through after-school tutoring and summer school if necessary. The highest effort from students, teachers, and parents/guardians is necessary to reach this goal.

C. Attendance Policy

Parents are required to notify the school of any absence prior to the start of the school day. Within 120 minutes after the beginning of each school day, the school shall make at least one attempt in compliance with ORC 3321.141 (A)(2) to contact the parent/guardian for any student absent without legitimate excuse. Similarly, Parents are required to notify the school in writing in advance of early pick-up.

Parents are encouraged to make any doctor, dentist, etc. appointments for times other than school hours.

In accordance with Ohio law, a student will be automatically withdrawn from the School if the student without a legitimate excuse fails to participate in seventy-two consecutive hours of the learning opportunities offered to the student.

No student shall be suspended or expelled based solely on the number of absences.

1. Reporting and Monitoring Student Absences

It is the obligation of the parent/guardian to report the child's absence or tardy each day the student is absent.

- The parent/guardian should phone the student's school building within 2 hours of the start of the school day each day the student is absent. Afternoon kindergarten parents/guardians must call by 2:00 PM. The parent/guardian may be required to provide a password/code to identify themselves as the parent/guardian of the absent student.
- A school-logged parent/guardian phone call received by the attendance office, on each day of the student's absence, for any of the excused absences below, is sufficient to excuse the child's absence. After the student's eighth (8th) parent phone call, upon the student's return to school the parent/guardian shall provide written documentation from a treating physician, nurse practitioner, or physician assistant stating the day(s) absent and reason for such absence.
- Written documentation from the parent/guardian/non-doctor note may be in the form of an e-mail or fax to the proper school authority or directly from a physician's office, if permitted by the physician's office.
- If within five (5) school days after returning to school following an absence, written documentation has not been received, the absence will be "unexcused."
- The parent/guardian (and not the school) maintains responsibility to make certain the telephone call and/or absence note was submitted to the proper school attendance authority in a timely fashion.
- If the parent/guardian fails to contact the school and school personnel have to initiate contact with the parent/guardian via phone call and they DO NOT make direct contact with a parent/guardian, the absence will be considered unexcused until a parent/guardian makes direct contact with the attendance office on the day of the student's absence. After that date, the student must submit a written parent note within 5 days to excuse the absence.

2. Excused Absences

- Personal illness or injury
- Medical or dental appointments (partial days, in most cases)
- Illness or death in the family
- Funeral of immediate family member or relative
- Quarantine
- Religious holiday (not counted against the eight (8) day rule)
- Appointments for court
- Pre-approved absences. Five (5) days per year approved in advance by the Principal. These days shall be included in the eight (8) day absence rule
- Head lice. Children excluded from school due to head lice are allowed one (1) excused absence on two (2) separate occasions in a school year. Absences beyond this number are unexcused unless the additional absences are covered within the eight (8) parent/guardian notes or a physician, et al., excuse.
- Emergencies and other reasons deemed good and sufficient by the Principal.

3. Unexcused Absences and Tardiness

The school administration will make the final decision whether an absence/tardy is excused or unexcused. In general, unexcused absences/tardiness include (but are not limited to):

- Missing the school bus
- Experiencing transportation problems at home or on the way to school
- Remaining at home to complete school assignments
- Missing school without legitimate illness

- Oversleeping. Alarm clock (student's or parent's) failed to work.
- "My mom didn't get me up."
- Not having suitable clothing to wear to school
- Working at a job during the school day without a proper work permit
- Babysitting
- Any form of recreation (unless pre-approved absence days)
- Personal business that can be done after school or on weekends
- "Helping at home" or "Was needed at home."
- "I had a game last night."
- Senior pictures/portraits

4. *Medical Excuses*

Medical excuses are acceptable documentation of an absence or tardy to school following a personal, in-office or hospital examination by a physician, nurse practitioner, or physician assistant. Physicians, et. al., may only excuse absences or tardiness to school for the specific date(s) the student was under his/her direct medical care - during which the student was medically unable to attend school. Excessive medical excuses may result in the school contacting the physician's office for additional medical documentation.

5. *Tardy to School*

All students reporting to School after the school day begins will be considered tardy. Tardy arrivals are added to hours absent, and the student may be referred to the Absence Intervention Team. Tardy to classes is handled on an in-school basis.

6. *Make-Up Work*

Excused absences and tardiness allow students to make up all missed class work, tests, and assignments. The general rule is the length of make-up opportunity is equivalent to the length of the absence. Students may not make up class work, tests, and assignments missed due to unexcused absences or tardies.

7. *Truancy Defined*

Excessive Absences

A student shall be considered excessively absent when the student is absent (with a non-medical excuse or without legitimate excuse) 38 or more hours in one school month or 65 or more hours in one school year.

When a student is excessively absent the School within seven days of the triggering absence will notify the student's parents in writing of the student's absences. The School will develop a truancy intervention plan which may include any applicable appropriate interventions contained in this policy.

Habitually Truant

A student shall be considered habitually truant when the student is absent without legitimate excuse for 30 or more consecutive hours, 42 hours or more in one school month, or 72 hours or more in a school year.

When a student is habitually truant:

1. Within seven days of the triggering absence:
 - a. The Superintendent, Principal, or Chief Administrator shall establish an absence intervention team. The team should be based on the needs of each individual student, but the team shall include at a minimum two representatives from the School, one of whom knows the student, and the student's parent/guardian/custodian/designee/guardian ad litem ("parent"). The team may also

include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.

- b. The School shall make three meaningful good faith attempts to secure participation on the team by the student's parent/guardian/custodian/designee/guardian ad litem ("parent"). If the student's parent responds to any of those attempts, but is unable to participate for any reason, the School shall inform the parent of the parent's right to participate through a designee. If 7 school days elapse and the student's parent, fails to respond to the attempts to secure participation, the School shall do both of the following:
 - i. Investigate whether the failure to respond triggers mandatory reporting to the public children services agency for the county in which the child resides in the manner described in section 2151.421 of the Ohio Revised Code; and
 - ii. Develop an intervention plan for the student notwithstanding the absence of the child's parent.
2. Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team.
3. Within 14 days after the assignment of the team, the School will develop an absence intervention plan for that student in an effort to reduce or eliminate further absences. Within 7 days after developing the plan, the School shall make reasonable efforts to provide written notice of the plan to the student's parent/guardian.
4. If the student does not make progress on the plan within 61 days or continues to be excessively absent, the School will file a complaint in the juvenile court.
5. In the event that a student becomes habitually truant within 21 school days prior to the last day of instruction of a school year, the School may, in its discretion, assign one School official to work with the student's parent/guardian/custodian/designee/guardian ad litem to develop an absence intervention plan during the summer. If the School selects this method, the plan shall be implemented not later than 7 days prior to the first day of instruction of the next school year. In the alternative, the School may toll the time periods to accommodate for the summer months and reconvene the absence intervention process upon the first day of instruction of the next school year.

Interventions

Each intervention plan shall be tailored to the individual needs of the student.

However, each plan for a habitually truant student **shall** include:

- A statement that the School will file a complaint not later than 61 days after the date the plan was implemented if the student has refused to participate in, or failed to make satisfactory progress on, the intervention plan or an alternative to adjudication under ORC 3321.191(C)(2)(b)

Intervention plans may include, but are not limited to, the following interventions as are applicable and best suited to individual student needs:

1. Counseling
2. Requesting or requiring a parent, guardian, or other person having care of the student to attend parental involvement programs, including programs adopted under section 3313.472 or 3313.663 of the Ohio Revised Code

3. Requesting or requiring a parent, guardian, or other person having care of the student to attend truancy prevention mediation programs
4. Notification to the registrar of motor vehicles under section 3321.13 of the Revised Code
5. Taking legal action under section 2919.222, 3321.20, or 3321.38 of the Ohio Revised Code
6. Seeking juvenile court involvement to have a student informally enrolled in an alternative to adjudication. (If the School chooses to have students informally enrolled in an alternative to adjudication, the School shall develop a written policy regarding the use of and selection process for offering alternatives to adjudication to ensure fairness.)

Reporting

The School shall report as soon as practical to the Ohio Department of Education: when a notice of excessive absence is submitted to a parent; when a student meets the definition of habitually truant; when a student has been adjudicated an unruly child for being a habitual truant violates the court order regarding that adjudication; when an absence intervention plan has been implemented.

If the student is violating a court order regarding the student's adjudication as an unruly child for being habitually truant, the Board hereby authorizes the school's administrator or his/her designee to inform the student and parent/guardian of the violation and to notify the juvenile court.

The School may take legal action against the parent/guardian pursuant to ORC 3321.20 or ORC 3321.38 if a student is not attending school.

Withdrawal

When a student of compulsory school age withdraws from the School, the School shall attempt to ascertain the reason for the withdrawal. If the reason for the withdrawal is for a reason other than a change in residence and is not enrolled in another program, the School shall notify the registrar of motor vehicles and the juvenile court in the county in which the School is located. The notice shall be given within two weeks after the withdrawal and failure to enroll in another program permitted by law.

Automatic Withdrawal

In accordance with Ohio Revised Code 3314.03, a student will be automatically withdrawn from the School if the student without a legitimate excuse fails to participate in seventy-two consecutive hours of the learning opportunities offered to the student.

D. General Academic Calendar

During the school year, school will be in session as scheduled in the approved and official School calendar. The year will be divided into 4, 9-week quarters. Each quarter, students will take a comprehensive exam. These tests will be designed by teachers in collaboration with the Principal and will directly evaluate students' mastery of the curriculum. A full school calendar is provided to each family at the start of school or upon enrollment. The calendar will also be available upon request.

E. Promotion & Retention

Student shall be promoted to the next grade level for the following school year when he or she:

- completes the course and any State-mandated requirements at the current grade;

- in the opinion of the School’s professional staff, achieved the instructional objectives set for the current grade;
- demonstrates sufficient proficiency to permit him/her to move ahead in the educational program of the next grade;
- demonstrates the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

A student is prohibited from being promoted to the next grade level if the student has been absent without excuse for more than 10% of the required attendance days for the current school year and has failed two or more required curriculum subject areas in the current grade. A student may only be promoted under these circumstances if the Principal and student’s teachers of any failed subject areas agree that the student is academically prepared to be promoted.

While it is the School’s practice to involve parents and guardians in the retention determination process, the Principal shall have the final authority to retain a student. Notice of retention shall be provided as is established for sending notice regarding student academic progress as listed in the Parent/Student Handbook.

F. Homework

The School will assign homework to students on a nightly basis. The homework will be meaningful and will serve an important purpose of extending the learning that goes on in the classroom. Homework has developmental benefits as well as academic benefits. It helps develop students’ responsibility, time management skills, and independent problem-solving skills. The development of these skills is essential to a student’s success at the School and to excelling in college. Each night, students are expected to complete all homework in a thorough manner, paying attention to detail and quality. Completion of homework is mandatory.

Parents/Guardians must be aware and supportive of their child’s efforts with homework. Parents are expected to actively check and review their child’s homework each night and to let teachers know if their child is struggling with homework. Parents may assist students with their homework but should never do it for them. Before their child leaves for school each morning, parents should review their child’s homework for quality and completeness.

G. Cheating & Other Academic Infractions

Students found to have cheated, plagiarized, or committed any other act of academic dishonesty will receive a detention or a suspension, at the discretion of the School.

H. Assessment

In addition to the internal exams described above, the School will use regular external assessments to support its educational program. These assessments will include, but are not limited to:

- State-Mandated tests in October and April of each year.
- NWEA testing in August, December and May of each year.
- Other placement tests which may be necessary at the discretion of the school.

Participation in these assessments is required. Students are expected to give their best effort in every assessment.

I. Grades

Students will receive number grades for Work Habits / Social Skills Scale. They are:

3 = Consistently 2 = Sometimes 1 = Rarely 0 = Does Not Demonstrate

1. Grading Scale

Students will receive number grades for each completed class (English Language Arts, Math, Social Studies, and Science, etc.). The number grades represent a performance descriptor (such as outstanding, very good, etc.) and are assigned to the quality of work a student completes. Students in K-6 will use the following grading scale.

2. Proficiency Level Descriptions

3 = Meets with Proficiency

Demonstrates acceptable achievement of the targeted benchmarks.

2 = Developing Proficiency

Is approaching acceptable achievement of targeted benchmarks.

1 = Not Yet

Requires more time and experience; shows limited achievement of targeted benchmarks.

N/A = Not applicable at this time.

Has not been assessed/taught at this time. Will be taught and assessed by the end of the year.

3. Traditional Equivalent

The following grades describe a percentage of successful work from each student:

Percentage	Grade	Description	Numerical Scale
90-100	A (3)	Outstanding	4.0
80-89	B (3)	Good	3.0
70-79	C (2)	Satisfactory	2.0
65-69	D (1)	Warning	1.0

Students who receive below a 70% grade in any class are considered to have failed the class. A student who ends the year with a failing grade in any class may be required to repeat the class or the grade in the following year.

4. Report Cards

Students receive a report card for each quarter, which includes a summary of their academic work. Report Cards are provided to parents/guardians at the parent conferences. ***Parent/Guardian attendance at the Parent Conferences is required to receive the report card.***

Progress reports will be issued to all students mid-way through each quarter. Students bring progress reports home, and they must be reviewed with parents/guardians, signed to indicate they have been discussed, and returned to the School.

J. Academic Classes

All students at the School take the same set of academic classes. Each student will be enrolled in 1 Language Arts class (Reading/Writing), Math, Social Studies, Spanish, Art, Science, Gym and Technology during the year. General intentions for each subject are described below.

1. Reading

Reading proficiency is essential to the mastery of all other academic subjects. Students of the School will graduate reading at or above grade level. Throughout their education, students will read classical texts from diverse cultures in fiction, non-fiction, and poetry. Students will receive intensive phonics and phonemic awareness instruction to meet the needs of students who are reading below grade level.

2. Writing

Written expression is closely linked with success in college-preparatory and higher education. Students will

master the writing of 5-paragraph essays in all five genres: expository, narrative, persuasive, literary response, and correspondence. Students will master grammar and mechanics.

3. Mathematics

Mathematics is considered the universal language. No matter the student's life goals, math will be intimately involved. To this end, the School will place a strong emphasis on all children being ready for an advanced math track upon arrival at high school.

4. Science

Students will study an intensive curriculum of the scientific method, earth, physical, and life sciences, and will design, execute, write, and present their own independent experiments. All science classes will include the Earth Science, Biology, and Physical Science contents included in the ODE standards.

5. World Studies

To ensure that graduates of the School have the critical research, thinking, and writing skills necessary for success in a multi-cultural world, all students will study a wide range of historical content and research.

K. Child Find

It is the School's policy to assist the State of Ohio in identifying, locating, and evaluating all children who may have disabilities that may be hindering their ability to receive Free and Appropriate Public Education (FAPE). The School is committed to affording all children their right to a free and appropriate education, regardless of any disability a child may have.

The School aims to identify disabilities such as autism, deaf-blindness, hearing impairment, including deafness, mental retardation, multiple disabilities, orthopedic impairment, other health impairment, traumatic brain injury, and/or visual impairment including blindness.

The School encourages parents, guardians, relatives, public and private agency employees, and concerned citizens to help schools find any child, birth through age 21, who may have a disability and need special education and related services. The School will contact the parents or guardians of the child to find out if the child needs to be evaluated. Free testing is available to families to determine whether or not a special need exists. If a need is identified, the child can begin receiving special education and related services.

L. Parent Involvement

The School recognizes that the involvement of parents (hereinafter including guardians/caretakers/foster caregivers) and families in their children's education is critical to students' success. In order to accomplish the goal of welcoming, encouraging, and promoting parental/family involvement, the School shall:

1. Create a welcoming school climate.

- Provide a welcome packet for all parents visiting the school that includes important school contact information, school calendar and information about the vision and mission of the school.
- Have teachers make personal contacts with families through e-mail, phone calls or home visits.
- Hold an open house, prior to school opening, at which families can meet their children's teachers, tour the school building and meet other families.

2. Provide families information related to child development and creating supportive learning environments.

- Provide information for parents on typical development and appropriate parent and school expectations for various age groups.
- Print suggestions for parents on home conditions and activities that support learning at each grade

- level.
 - Partner with local agencies to provide resources to families.
3. *Establish effective school-to-home and home-to-school communication.*
 - Provide information for parents on homework policies and on monitoring and supporting student work at home.
 - Send home student work for parent review and comment.
 - Allow access so families can frequently monitor their children’s progress.
 - Clearly communicate school policies to all families.
 - Establish formal mechanisms for families to communicate to Principals and teachers as needed (e.g., phone numbers, e-mail addresses, weekly hours for families to call or meet).
 - Create a “suggestion or comment” box (electronic or onsite) for families to anonymously provide their questions, concerns and recommendations
 4. *Strengthen families’ knowledge and skills to support and extend their children’s learning at home and in the community.*
 - Provide training and materials for parents on how to improve children’s study skills or learning in various academic subjects.
 - Make regular homework assignments that require students to discuss with their families what they are learning in class.
 - Provide information on community resources and activities that link to student learning skills and talents, including summer programs for students.
 - Inform families of the high expectations and standards children are expected to meet in each grade level. Provide ways for families to support the expectations and learning at home.
 - Engage families in opportunities to work with their children in setting their annual academic and career goals.
 5. *Engage families in school planning, leadership and meaningful volunteer opportunities.*
 - Invite parents to be involved at the School, including Title One planning.
 - Identify family volunteer interests, talents and availability, matching these resources to school programs and staff-support needs. (Recurring volunteers will be required to comply with background check policies of the School.)
 - Create volunteer recognition activities such as events, certificates and thank-you cards.
 - Host events which encourage interaction among parents.
 6. *Connect students and families to community resources that strengthen and support students’ learning and well-being.*
 - Through school-community partnerships, facilitate families’ access to community-based programs (e.g., health care and human services) to ensure that families have resources to be involved in their children’s education.
 - Establish school-business partnerships to provide students mentoring, internships and onsite, experiential learning opportunities.
 - Connect students and families to service-learning projects in the community.
 - Invite community partners to share resources at annual open houses or parent-teacher conferences.

Please note, volunteers at the school may be required to obtain background checks.

M. Parent’s Right to Know

Parents/guardians with a student attending a school that receives Title I funds, have the right to know the qualifications of the student’s classroom teacher. Parents who ask about the professional qualifications of

their child's classroom teacher are entitled to the following information:

- Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides the student instruction.
- Whether the teacher is teaching under an emergency or temporary status that waives state licensing requirements.
- The undergraduate degree major of the teacher and any other graduate degree or certification (such as National Board Certification) held by the teacher and the field of discipline of certification or degree.
- Whether the student is provided services by instructional paraprofessionals and, if so, their qualifications.

All requests must be sent to the School in writing and should include the following information: student's full name, legal parent/guardian's full name, address, city, state, zip code and teacher's name.

N. Complaint Policy and Procedure

The Board of Directors ("Board") believes that Complaints from parents or other members of the community regarding school personnel should be addressed thoroughly and completely. The people involved should treat one another with the highest level of respect and dignity.

Initially, Complaints shall be addressed formally or informally with the staff member. Complaints must be made in a civil/respectful manner in order to be considered by school personnel. Where appropriate, the Complaint should be in writing on a form developed by the Principal and should contain a statement of the facts and the specific outcome desired by the parent/guardian or other person making the Complaint ("Complainant"). The Complainant may sign the Complaint and should be given a copy. The staff member should work with the Complainant to resolve the issue in a timely, professional, and courteous manner. The efforts used to resolve the Complaint and the outcome should be noted on the form. Allegations involving illegalities should be reported immediately to the Principal.

Complaints unresolved through a parent-staff member communication or Complaints involving teachers or staff members should be in writing as noted above and directed to the Principal. The Principal shall investigate and attempt to resolve the issue in a fair and timely manner. The outcome should be noted on the form and further documented by letter or email as appropriate under the circumstances. If the Principal cannot resolve the issue with consultation with School advisors or consultants, the Complaint (with documented history or preceding steps) is forwarded in written form to the Board of Directors and a copy to the School's legal counsel.

IV. Health and Safety

A. Closed Campus

The School has a closed campus. School hours are between 7:30 a.m. and 4:30 p.m., during which all students must remain on the campus as defined by the School, unless supervised by a staff member. Students who are excused at dismissal time may leave campus if they do not have other obligations. When on campus, students must always be in class and under supervision of an adult.

Students who need to leave campus early must be picked up by a parent/guardian or authorized individual. The parent must sign the student out on the School's attendance log before the student will be released.

B. Visitor Policy

The School always welcomes and encourages visitors, both from within and outside of our school community, into our school. However, in order to assure the safety and well-being of all students and staff, all visitors – including parents and guardians – are required to report directly to the Main Office, sign in, and receive a visitor's pass. Any visitor who does not report to the office, or is found in the building without

authorization and a visitor's pass, will be asked to leave immediately.

C. Student Emergencies

In case of an emergency, parents or guardians should contact the Main Office either by phone or in person. Under no circumstances, including during after-school activities, should parents or guardians contact students in their classrooms, or attempt to withdraw students from the building without notifying and receiving permission from staff members in the Main Office.

If the situation warrants, the school will call Emergency Medical Services (911). If there is a serious accident at school, parent(s)/guardian(s) of the affected students will be notified immediately. In the event that the parent(s)/guardian(s) cannot be reached, the family physician or persons indicated on health forms will be contacted. First Aid will be administered and Emergency Medical Services (911) will be contacted as needed.

E. Fire Alarms

In case of an emergency – if a students or staff members see fire or smells smoke—they should pull the nearest fire alarm and then immediately follow the fire evacuation plan. Upon hearing the alarm, school staff will assemble students in their rooms and proceed out of the building as per the fire evacuation plan posted in each room. Students should follow the direction of staff members who will lead students outside the building to the designated locations, where School staff will line up students by class and take attendance.

During the first week of school and frequently throughout the school year, students and staff will participate in fire drills to ensure that the entire School community is familiar with the appropriate response in the event of an emergency. In case of a more serious emergency, should it be necessary to evacuate our School before, during, or after the school day—and it appears that we will be unable to return to the school for an extended period of time—School staff and students will evacuate from each of the School's buildings. A copy of each evacuation plan is available from the Principal upon written request.

I. Violence Policy

Violent behavior will never be tolerated and will be treated with the most severe consequences. Any student who commits an act of physical violence at School, on School-sponsored transportation, or at a School-related event will receive an immediate out-of-school suspension and may be expelled pursuant to the Board's Suspension and Expulsion Policy.

If a student receives a suspension for a first violation of this policy, the student may be required to enroll in a rehabilitation/counseling program at the sole cost of the student's family. The School blocks the categories that are determined to be potentially inappropriate. However, families must be aware that some material accessible via the Internet contains illegal, defamatory, inaccurate, or potentially offensive language and/or images. While the goal of the School is to use Internet resources to achieve educational goals, there is always a risk of students accessing other materials. Parents should be aware of these risks.

By signing the Statement of Understanding, Appendix A of the Parent/Student Handbook, the parent and student agree:

- To abide by all School policies relating to the use of technology.
- To release all School employees from any and all claims of any nature arising from the use or inability to use the technology.
- That the use of technology is a privilege.
- That the use of the technology will be monitored and there is no expectation of privacy in any use of the technology.

If Columbus Public Schools are closed, then the School is closed. In the event of inclement weather, the School may close even though Columbus Public Schools are open.

School closings for Columbus Public Schools and CBAN are announced on all Metro Columbus radio and television stations, School Reach, and on the website. It is the responsibility of parents/guardians and students to access this information.

The School provides breakfast, lunch, and snack food service for its students. The school participates in the National School Lunch Program, which provides free or reduced-price breakfasts and lunches as well as free milk to eligible students. Tables describing eligibility and applications to participate in the program will be provided at the **Family Orientation Day**.

Lunch is served daily in the school cafeteria. All students are expected to eat lunch and are responsible for cleaning the cafeteria before being dismissed for the subsequent break. Disruptive behavior during lunch may result in losing the privilege of having the break after lunch. Students who do not qualify for free or reduced lunches are expected to pay for lunch weekly (or monthly, if desired). Speak to the Principal regarding questions about lunch purchases.

Breakfast is served from 7:30 – 7:50 AM in the school cafeteria and is optional for all students. Students must arrive at school by 7:40 AM in order to eat breakfast.

The School will follow all procedures listed in the Food Allergy Policy. (*See Appendix E*)

The School expects students to treat school property and equipment with care and responsibility. School property includes the building and grounds, equipment (including all computer hardware, software, network systems, and any other technology), books, and any other material possession of the School. Should the damage be deemed as an unintentional act, students may be given the option of reimbursing the School and/or completing community service determined at the discretion of the School.

F. Textbooks

Distracting or inappropriate objects will be taken from a student and returned at the end of the day. Repeated violations will require a parent conference. Students should not bring large sums of money to school. In accordance with the provisions of this Policy, student's personal property may be subject to search at the School's determination.

H. Lost and Found

The School's lost and found is located in the main office. Items not claimed within a month are donated to charitable organizations.

From time to time, the School may also get media requests to highlight the School and its students.

During the registration process, each parent/guardian will be provided with a **Student Photo/Information Release** form (*see Appendix C*). G. Non-Custodial Record Request

Access to records will be in accordance with the Family Educational Rights and Privacy Act of 1974, as pertaining to release of records. Upon request, non-custodial parents shall be entitled to exercise all parental rights to the extent that such rights are not restricted by a legally binding instrument or court order. A “non-custodial parent” refers to the parent who does not have custody of the child, but does have the right to information about the child’s education.

If there is a court order concerning legal custody of a child, an Information Regarding Legal Custody Form must be completed and on file in the child’s cumulative record. This form is part of the Enrollment Packet or it can be obtained through the School office.

Anti-Harassment, Anti-Intimidation, Anti-Bullying Policy

A safe and civil environment is necessary for students to learn and achieve high academic standards. Harassment, Intimidation, and Bullying are strictly prohibited, and students who are determined to have engaged in such behavior are subject to disciplinary action, which may include suspension or expulsion. This policy details the School's prohibition of Harassment, Intimidation, and Bullying (including Cyber-Bullying).

I. Definitions:

A. "Harassment, Intimidation, Bullying" means:

1. An intentional written, verbal, graphic, electronic, or physical act that a student or group of students has exhibited toward another student or school personnel (including volunteers or others serving the school), more than once, and the behavior:
 - a. Causes mental or physical harm to the victim; and
 - b. Is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment
2. Violence within a dating relationship

B. By Electronic Means/Cyber-Bullying: Harassment, Intimidation, Bullying includes electronic acts, which mean an act committed through the use of phones, PDAs, computers, electronic notebooks, game systems, or any other electronic or communication devices. (Harassment, Intimidation, Bullying conducted through electronic devices is sometimes referred to as "Cyber-Bullying.")

C. Location: Acts constituting Harassment, Intimidation, or Bullying subject to this policy must occur to and from school, on school grounds, at school-sponsored or sanctioned activities, or in school transportation in order for the School to be reasonably able to monitor and discern the conduct pursuant to this policy. Cyber-Bullying, subject to this policy, may occur beyond those locations but is covered by this Policy and is strictly forbidden under this Policy.

II. Types of Conduct

Harassment, Intimidation or Bullying can include many different behaviors including overt intent to ridicule, humiliate or intimidate another student or school personnel. Examples of conduct that could constitute prohibited conduct may include, but is not limited to:

1. Physical violence and/or attacks;
2. Threats, taunts and Intimidation through words and/or gestures;
3. Extortion, damage or stealing of money, property or possessions;
4. Exclusion from the peer group or spreading rumors;
5. Repeated remarks of a demeaning nature that have the purpose or effect of causing injury, discomfort, fear or suffering to the victim;
6. Repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other web-based/online sites (also known as "cyber Bullying"), such as the following:
 - a. Posting slurs on websites or any form of social media;

- b. Sending or posting abusive or threatening instant messages, emails, texts or communications via social media;
- c. Using cameras or cameras on any devices to take private or embarrassing photographs of students and sending or posting them online or on any form of social media;
- d. Using websites or other electronic communication to circulate gossip and rumors to other students;
- e. Excluding others from an online group by falsely reporting them for inappropriate language to internet service providers.

III. Complaint Process – Reporting Prohibited Incidents

- A. Students, Parents/Guardians, or other individuals may report suspected Harassment, Intimidation, Bullying to any School personnel. The School Leader or his/her designee is responsible for receiving complaints alleging violations of this Policy. School personnel who receive a complaint will promptly report or forward it to the School Leader or his/her designee for review and action.
- B. Oral reports of suspected prohibited behavior are considered official complaints in the same manner as a written complaint. School personnel who receive an oral complaint will promptly document the complaint in writing, and will promptly forward it to the School Leader for review and action.
- C. Both written and oral complaints shall be reasonably specific as to the actions giving rise to the suspicion of Harassment, Intimidation, and/or Bullying, including person(s) involved, number of times and places of the alleged conduct, the target of the prohibited behavior, and the names of any potential witness.
- D. Anonymous Complaints: Individuals who make complaints as set forth above may request that their name be maintained in confidence by the School. The anonymous complaints will be reviewed and reasonable action will be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint; and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of Harassment, Intimidation and/or Bullying.
- E. False Complaints: It is a violation of this policy to knowingly report false allegations of Harassment, Intimidation, and/or Bullying. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.
- F. School personnel, volunteers, and students shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy if that person reports an incident in good faith and in compliance with the procedures set forth herein.

IV. School Personnel Responsibilities

- A. Teachers and Other School Personnel Responsibilities
 - 1. Teachers and other school personnel, who witness acts of Harassment, Intimidation or Bullying, as defined above, will promptly notify the School Leader or his/her designee of the event observed by filing a written incident report concerning the events witnessed.

2. In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of Harassment, Intimidation or Bullying in other interactions with students. School personnel may find opportunities to educate students about Harassment, Intimidation and Bullying and help eliminate such prohibited behaviors through class discussions, counseling, and reinforcement of socially appropriate behavior.
3. School personnel should intervene promptly where they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student/school personnel, even if such conduct does not meet the formal definition of “Harassment, Intimidation, or Bullying.”

B. Principal Responsibilities - Investigation and Documentation

1. The School Leader or his/her designee shall conduct a prompt and thorough investigation of all complaints of suspected Harassment, Intimidation, or Bullying. The School Leader or his/her designee shall prepare a written report of the investigation when the investigation is complete. Such report will include findings of fact and a determination of whether acts of Harassment, Intimidation, or Bullying were verified. When prohibited acts are verified, the School Leader or his/her designee shall also prepare a recommendation for intervention, including disciplinary action. Where appropriate, written witness statements will be attached to the report. It is imperative that Harassment, Intimidation, and Bullying be identified only when the specific elements of the definition are met because the designation of such prohibited incidents carry special statutory obligations. However, a determination that misconduct does not constitute Harassment, Intimidation or Bullying under this Policy, does not restrict the right of the School Leader to impose appropriate disciplinary consequences for student misconduct.
2. When an individual reporting a complaint has requested anonymity, the investigation of such complaint will be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint (with or without discussing it with the alleged perpetrator), subject to receipt of further information and/or the withdrawal by the complaining individual of the condition that his/her report be anonymous.

V. Notification to Parents/Guardians

- A. Perpetrator: If after investigation, acts of Harassment, Intimidation and Bullying by a specific student are verified, the School Leader or his/her designee will notify, in writing, the parent or guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline will be included in such notification to the extent permitted by law.
- B. Victim: If after investigation, acts of Bullying against a specific student are verified, the School Leader or his/her designee will notify the parent or guardian of the victim of such findings. In providing such notification, care must be taken to respect the statutory privacy right, including those set forth in the R.C. § 3319.321 and the Family Educational Rights and Privacy Act of 1974, 88 Stat. 571, 20 U.S.C. 1232q of the perpetrator of such Harassment, Intimidation and Bullying.

- C. To the extent permitted by State and Federal privacy laws, parents or guardians of any student involved in a prohibited incident may have access to any written reports pertaining to the prohibited incident.

VI. Remedial Actions

- A. Verified acts of Harassment, Intimidation or Bullying will result in action by the School Leader or his/her designee that is intended to ensure that the prohibition against Harassment, Intimidation or Bullying behavior is enforced, with the goal that any such prohibited behavior will cease.
- B. The School recognizes that acts of Harassment, Intimidation, or Bullying can take many forms and can vary dramatically in seriousness and impact on the targeted individual and school community. Accordingly, there is no one prescribed response to verified acts of Harassment, Intimidation, and Bullying. Disciplinary and appropriate remedial actions for an individual who commits an act of Harassment, Intimidation or Bullying may range from positive behavioral interventions up to, and including, suspension or expulsion.
- C. In determining appropriate action for each individual who commits an act of Harassment, Intimidation or Bullying (including a determination to engage in either non-disciplinary or disciplinary action, as described below), the School Leader will give the following factors full consideration:
 - 1. The degree of harm caused by the incident(s);
 - 2. The surrounding circumstances;
 - 3. The nature and severity of the behavior;
 - 4. The relationship between the parties involved; and
 - 5. Past incidences or continuing patterns of behavior.
- D. When verified acts of Harassment, Intimidation or Bullying are identified early and/or when such verified acts of such behavior do not reasonably require a disciplinary response, students may be counseled regarding the definition of Harassment, Intimidation, Bullying, its prohibition, and their duty to avoid any conduct that could be considered Harassment, Intimidation or Bullying. Peer mediation may also be used, when appropriate.
- E. When acts of Harassment, Intimidation and Bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints that are not otherwise verified, however, will not be the basis for disciplinary action.
- F. Suspension or Expulsion may be imposed, but only after the appropriate procedures have been conducted pursuant to the School's Suspension and Expulsion policy and applicable law. No disciplinary procedure will infringe on any student's rights under the first amendment to the Constitution of the United States.
- G. The determination that conduct does not constitute Harassment, Intimidation or Bullying under this Policy, however, does not restrict the right of the School Leader or the Board or both to impose appropriate disciplinary consequences for student misconduct.

VII. Prevention and Intervention Strategies

In addition to the prompt investigation of complaints of Harassment, Intimidation, or Bullying, and direct intervention when such acts are verified, the School will consider potential strategies to protect victims from additional Harassment, Intimidation, or Bullying, and from retaliation following a report and to generally ameliorate the effects of Harassment, Intimidation, Bullying. The following potential strategies, as well as other strategies, may be considered:

1. Supervising and disciplining offending students fairly and consistently;
2. Providing adult supervision during breaks, lunch time, bathroom breaks and in the hallways during times of transition;
3. Maintaining contact with parents and guardians of all involved parties;
4. Providing counseling for the victim if assessed that it is needed;
5. Informing school personnel of the incident and instructing them to monitor the victim and the offending party for indications of harassing, intimidating, and Bullying behavior; instructing personnel to intervene when prohibited behaviors are witnessed;
6. Checking with the victim regularly to ensure that there have been no incidents of Harassment/Intimidation/Bullying or retaliation from the offender(s).
7. Responding respectfully to complaints of suspected prohibited conduct.
8. Promoting open communication regarding Harassment, Intimidation, Bullying.
9. Providing professional development and community opportunities to educate and collaborate with school personnel, parents, and community members about addressing Harassment, Intimidation, Bullying.
10. Educating students regarding Harassment, Intimidation, Bullying.
11. Creating a school atmosphere of team spirit and collaboration that promotes appropriate social behavior.
12. Avoiding sex-role stereotypes. Modeling and promoting strategies that instruct student how to work together in a collaborative and supportive atmosphere. Use of peers to help ameliorate the effects of Harassment, Intimidation, Bullying.

VIII. Semi-Annual Reporting Obligations

The School Leader will semi-annually provide the president of the School's Board of Directors a written summary of all reported incidents and post the summary on the School's Website, if one exists. The list will be limited to the number of verified acts of Harassment, Intimidation and Bullying, whether in the classroom, on school property, to and from school, or at school- sponsored events.

IX. Publication & Dissemination of Policy

- A. This policy shall be included in the student handbook and in the publication which sets forth the comprehensive rules, standards, and procedures regarding school conduct. The School will annually disseminate this Policy to School personnel, students, and parents.

- B. To ensure school personnel are prepared to prevent and effectively intervene with incidents of Harassment, Intimidation or Bullying, the School has incorporated the information about this Policy into its employee training materials.
- C. Students will be provided with age-appropriate information on the recognition and prevention of Harassment, Intimidation or Bullying, and their rights and responsibilities under this and other School policies, procedures and rules.
